AVS Recording Equipment/Photo policy

Recording of Presentations is Strictly Prohibited: No individual or entity—including a presenting author—may electronically record or broadcast any portion of the AVS Meeting without prior written consent of AVS. Unauthorized recording (audio, video, still photography, etc.) of presentations during sessions, posters, workshops, etc., without the express written consent of AVS and individual authors is strictly prohibited. Press representatives must receive a Press Pass and photo/recording permission from AVS. AVS reserves the rights to any approved audio and video production of presentations at all AVS events.

Photo Policy: Attendees or exhibitors are encouraged to network and enjoy the meeting experience. As such, capturing memories of casual meeting activities and networking is permitted with the permission of those being prominently photographed. Photographing formal meeting presentations, posters, or displays is forbidden without permission of AVS and the presenter.

Videos and Photos for AVS Use: AVS Meeting attendance implies your consent to be photographed, filmed and/or otherwise recorded for use on the AVS website or news publications. Please note that no technical presentations will be recorded without prior consent of AVS and the authors.

**Those who do not comply with the AVS Recording Equipment/Photo policy may be asked to leave the premises.*
