AVS Student Activities

Did you know that 25% of AVS membership is comprised of students? You represent the future of AVS and we encourage you to take advantage of the following opportunities and services:

Student Chapters
Meet future colleagues and employers and form friendships while sharing common interests in a range of science and technology topics during various chapter activities.

Student Awards
Apply for both a National and Divisional Level Award. National Student Awards include five top-level awards and multiple Graduate Research Awards. All AVS National Student Awards are presented during the Awards Ceremony at the International Symposium and include travel support as well as a cash award.

Career Services
Connect with the finest job seekers and companies in physics, engineering, vacuum science, and technology using the AVS Online Career Center which partners with the Physics Today, American Association of Physics Teachers, American Physical Society, and IEEE Computer Society.

Attend our annual Onsite Career Center/Mini Job Fair at the AVS International Symposium and Exhibition and meet with potential employers and gain interviewing skills during the conference.

Short Courses
Broaden your knowledge and develop new job skills by attending an AVS Short Course. Courses offer basic and advanced training in vacuum, materials, processing, and interfaces.

AVS Publications and Technical Libraries
Delve into our four journals that cover a variety of materials, processing, and interfaces topics—access is easy using the online AVS Publications Digital Library or iAVS.

No time to attend a talk? Discover our newest benefit in the AVS Technical Library, Presentations on Demand featuring recorded talks from AVS Symposia. The Technical Library also provides access to books, monographs, and other scientific resource materials.
